

Fourth and Fifths

Name: _____

The distance between two pitches INCLUDING those two pitches is called an INTERVAL.

Let's start with 4^{ths} and 5^{ths}.

← Key of F, F is DO.

F to C is a 5th F to B^b is a 4th.

For each pitch below draw and label the note that's a 5th above it. When labeling, make sure to check the key signature! Also label the given note.

1. 2. 3. 4. 5.

6. 7. 8. 9. 10.

11. 12. 13. 14. 15.
