

Analyzing Triads

Name: _____

The three major chords I-IV-V contain every tone of the major scale. Therefore, we can harmonize any major scale using these three chords

Fill in the letters for the following keys

	KEY OF C	KEY OF F	KEY OF G
I	— — —	— — —	— — —
IV	— — —	— — —	— — —
V	— — —	— — —	— — —

We should always begin and end an exercise with a I chord. A V chord usually proceeds the I chord at the end.

Harmonize the C Major scale using only I, IV, or V.
