

### minor scales 2. natural

1. A natural minor scale shares a \_\_\_\_\_ with its relative major.  
 \* WHWHWW\* Remember, natural minor scales have the same notes ascending + descending. THIS DOES NOT MEAN FOLLOWING THE W/H PATTERN TWICE. It means follow it once, then copy the same pitches, descending.

2. Write out a d minor scale in letters: \_\_\_\_\_

3. Write out a d minor scale in quarter notes. Ascending + descending.

Label notes: d

4. Write out an e minor scale in letters: \_\_\_\_\_

5. Write out an e minor scale in quarter notes. Ascending + descending.

6. Write out an f minor scale in letters: \_\_\_\_\_

7. Write out an f minor scale in quarter notes. Ascending + descending.

8. Write out a g minor scale in letters: \_\_\_\_\_

9. Write out a g minor scale in quarter notes. Ascending + descending.

10. Add bar lines to #3, #5, #7, and #9.
